

# MULTISCALE MODELLING IN SOIL AND ROCK MECHANICS

Montpellier, 8-10 July 2013

The conference will focus on the current problems in applied soil mechanics and rock mechanics. The authors are encouraged to present recent research results in multiscale modelling in soil and rock mechanics. Presentations are expected to cover the following areas: laboratory testing, in-situ testing, theoretical solutions, numerical simulations and case histories.

## Scientific Committee

Prof. C. Boutin, ENTPE, Lyon  
Prof. P. Delage, ENPC, Institut Navier, Paris  
Prof. E. Dembicki, Gdańsk University of Technology  
Prof. M. S. El Youssoufi, University Montpellier 2  
Prof. P.-Y. Hicher, Ecole Centrale de Nantes  
Dr hab. M. Jastrzebska, Silesian Univ. of Technology  
Prof. D. Kondo, University Paris 6  
Prof. Z. Lechowicz, President of the Polish Committee of Geotechnics (PKG), Warsaw Univ. of Life Sciences  
Prof. M. Lefik, Lodz University of Technology  
Prof. J. Lewandowska, University Montpellier 2  
Prof. D. Łydzba, Wrocław University of Technology  
Prof. F. Masroui, University of Lorraine

Prof. P. Mestat, President of the French Committee of Soils Mechanics (CFMS), IFSTTAR, Paris  
Prof. Z. Meyer, West Pomeranian Univ. of Technology  
Prof. E. Mieloszyk, Gdańsk University of Technology  
Prof. F. Nicot, Irstea, Grenoble  
Prof. G. Pijaudier-Cabot, University of Pau  
Prof. J. F. Shao, University of Lille  
Prof. A. Sieminska-Lewandowska, Warsaw Univ. of Tech.  
Prof. Z. Sikora, Gdańsk University of Technology  
Prof. T. Strzelecki, Wrocław University of Technology  
Prof. A. Szymański, Warsaw University of Life Sciences  
Prof. C. Viggiani, University Joseph Fourier, Grenoble  
Prof. B. Zadroga, Gdańsk University of Technology

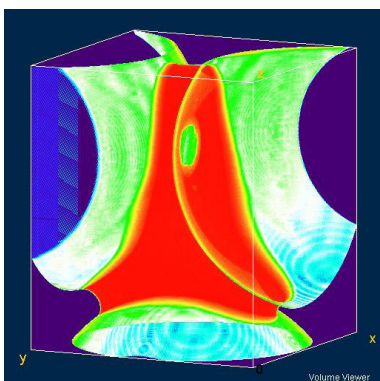

Tèrra occitana

## Registration

**Early** (deadline 01.03.2013):  
300€ (200€ MSc and PhD students)  
**Regular:** 400€ (300€ MSc and PhD students)

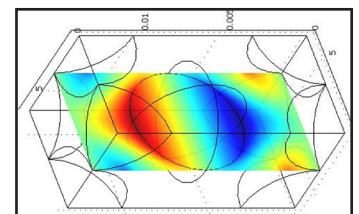

## Deadlines

Abstract submission (website) : **16.11.2012**  
Notification of acceptance for CD proceedings : **11.01.2013**  
Article submission for CD proceedings : **29.03.2013**

## Informations

The conference language is English.  
The papers will be peer-reviewed.  
All papers will be available on a CD-proceedings (electronic version only).  
Selected papers will be chosen for publication in a peer-reviewed journal.

## Organizing Committee

Jolanta Lewandowska  
Moulay Saïd El Youssoufi  
Reine Causse  
François Gibier  
Boleslaw Mielniczuk  
Kheira Sahli
